To,
The Editor,
Physical Review B

Dear Sir/Madam,

We would like to submit the enclosed manuscript entitled “Stability analysis of the martensitic phase transformation in Co_2NiGa Heusler alloy ” for consideration for publication in ***Physical Review B***.

We thank you in advance for your time and consideration of our manuscript. If you have any questions, please do not hesitate to contact me. We look forward to hearing from you soon.

Yours sincerely,

Anjana Talapatra
