To,
The Coordinating Editor,
Physical Review B

Dear Sir/Madam,

We would like to submit the enclosed manuscript titled “A high throughput combinatorial study of the effect of M site alloying on the solid solution behavior of M_2AlC MAX phases ” for consideration for publication in *Physical Review B*.

We thank you in advance for your time and consideration of our manuscript. If you have any questions, please do not hesitate to contact me. We look forward to hearing from you soon.

Yours sincerely,

Anjana Talapatra
